Summary

- Seeking a challenging position as a Frontend Developer where I can leverage my expertise in HTML, CSS, JavaScript, and React.js to create visually appealing and user-friendly web applications. My objective is to contribute to a dynamic team and innovate solutions that enhance user experiences, while continuously learning and growing in the field of front-end development.

Skills

- **Programming:** React.js, JavaScript, HTML5, CSS , Redux, Bootstrap, Tailwind, Material UI.
- **Software**: Vs code, GitHub

Experience

Software Programming Course

(The Prime Step)   **INDORE**, *IND* **02/2024 - Present**

- Completed intensive training program in **HTML**, **CSS**, **JavaScript, React.js**.
- Developed a strong understanding of Front-end development concepts and best practices.
- Collaborated with peers on projects to apply learned skills in real-world scenarios.

Projects

LMS (Learning Management System)

- Used React, a JavaScript library, to create the parts of the website you see and interact with.
- Makes the website feel smooth and responsive, allowing for easy navigation.
- Utilized React Router to enable users to switch between different pages or sections without reloading the Entire page.
- Implemented Reacts Context API to track and manage important information across the website.
- Ensures that updates, like changes to a course, are reflected throughout the site where needed.

.

Personal Portfolio

- Brief introduction with a professional photo description of skills and showcase of completed projects with images and Descriptions.
- Filterable by project category or technology used. Links to live projects and GitHub repositories.
- Use media queries to ensure the portfolio looks great on all devices. Implement a mobile-first approach to design.
- Ensure all sections are easily navigable on smaller screens.
- **React.js** for building the user interface. **CSS3** and **Media Queries** for responsive design

Education

Maharaja Chattrasal University, Chattarpur

- Bachelor of Science in Computer Science from Autonomous Govt. Girls College, Sagar, affiliated with Maharaja Chattrasal University, Chattarpur.
